WEST COAST REGIONAL CARBON SEQUESTRATION PARTNERSHIP

WESTCARB Involvement:

■ 3) PG&E's Berry Timber Sale (Forest Thinning and Logging Cleanup)

- To date:
 - 173 loads; 4,357 GT;
2,644 BDT; 39.3% MC
- Project Complete...PG&E has similar projects planned for the 2008 harvest season in the general location

WEST COAST REGIONAL CARBON SEQUESTRATION PARTNERSHIP

WESTCARB Involvement:

- **4) Beaty's Shingletown Afforestation (Brushfield Conversion)**
 - To date:
 - 32 loads; 748 GT; 609 BDT; 18.63% MC
 - Due to operational issues project was abandon as far as biomass recovery...biomass will be (or has been) open burned onsite
